**RESOURCE
GUIDE** v2

Mayor Ted R. Green
East Orange City Council

CITY OF EAST ORANGE
Mayor Ted R. Green

Dear Resident,

I am pleased to provide you with this Community Resource Guide, a comprehensive listing of programs and services available here in the City of East Orange.

Designed to help members of our community quickly identify resources, programs and services based on category, this guide is a compilation of contact information for cooperative government agencies, non-profit organizations and businesses that will connect our most vulnerable citizens with access to services they need the most. Inside, you will find information on food, employment and housing assistance, healthcare, and more.

This resource guide is just one of many ways we are seeking to create impactful change, and although we recognize the many challenges our residents face, we are optimistic that we can work together to build stronger families and a healthier East Orange.

I encourage everyone in need to take advantage of the contents within this booklet and reach out to the public and private providers waiting to serve. We want everyone in our community to be empowered with solutions that will improve the quality of their lives.

Sincerely,

Ted R. Green
Mayor
